

OLD CITY WALKING TOUR

- Meeting friendly tour guide in front of the metro Icheri Sheher.
- The tour starts from **Old City** – the old part of the city. **Icheri sheher** is a rare pearl of ancient cultural heritage of the Azerbaijani people and the source pride of every Azerbaijani.
- Firstly, you will visit to **The Paired Fortress Gates**. This place is one of the entrances to Icheri sheher. When entering the Icheri Sheher from The Paired Fortress Gates, a large square opens in front of you. At first glance, you will see the history of a few centuries: The ancient customs building, the remains of the Church of St. Nicholas, The chained building, the fragments of the Baku Khan's Residence.
- Go along Fortress Gates, and to reach the **Shirvanshahs Palace Complex**. The Palace Complex is located on three inner courtyards located at different levels. This magnificent architectural complex consists of a number of monuments: The palace building and the Divankhana, Seyid Yahya Bakuvi tomb and the remains of the Kagubad mosque in the upper courtyard, Saray mosque in the lower courtyard (Shah Mosque), the ruins of the Saray bathhouse of the family turpanic Shirvanshahs.
- After the museum tour, you will visit **the museum of Miniature Books** with the largest miniature books collection in the world, selected among the other museums by its uniqueness. This museum has been successfully functioning in Baku, since 2002. The inside area of 145 square meters and glass cases display over 5600 books published in more than 67 countries around the world. The museum of Miniature Books was included in the Guinness Book of World Records as the largest collection of miniature books in the world.
- To visit to **Muhammad Mosque**. This is a unique monument of world importance and the earliest dated monument of the Islamic period in Icherisheher. The northern facade of the mosque, next to the front door, contains an Arabic inscription: “In the name of God, the most Gracious, and the Most Merciful.
- To visit to **“Maiden Tower”** has the most prominent piece of the Baku panorama. Maiden Tower is located in the center of a rapidly growing part of the Baku city fortress, and as a 28-meter cylinder. The thickness of the tower walls is 5 meters at the base and 4 meters at a height of 8th floor. The Maiden Tower was constructed in the 8th-7th century.
- The tour continues to visit to **Bukhara and Multani Caravanserais and Arch-shaped Religious Architectural Complex**.
